*Welcome to Historic Lincoln County
and
The Royal Canadian Henley Regatta*

We hope that your visit to our area will be an enjoyable one and that you will perhaps take the opportunity to visit some of our famous places and landmarks.

Within a few miles of Port Dalhousie were enacted some of the significant chapters of Canadian history. Niagara-on-the-Lake, Queenston, St. Davids and many other communities are part of the County, which has such a proud tradition.

Today, Lincoln County ranks as one of the most progressive municipalities in Ontario. In addition to being a favorite for visitors who come to see mementos of our historic past, Lincoln County is one of the largest fruit producers in Canada, and annually attracts thousands of people who visit the area during blossom-time.

AT LONG LAST — Announcement that the Federal Government would finance the dredging of the Henley Course was greeted by an applauding, "on-their-feet" audience at the Captain's Dinner of the St. Catharines Rowing Club this year. Here, James McNulty, M.P. for Lincoln, who made the announcement, explains some of the detail of the project to St. Catharines men who have long awaited this decision. Seated, left, Russell Wood, first Vice-President of the Canadian Association of Amateur Oarsmen; standing, from left, Fred Marlow, President of the St. Catharines Rowing Club; James Newman, President of the Henley Aquatic Association and Gerry Lienert, Head Coach of the St. Catharines Rowing Club. The \$300,000 project is the first step for a National Rowing Course here and, in Centennial Year, a World Regatta at Henley.

ROYAL CANADIAN HENLEY CHAMPIONS — 1963

Senior Fours (Henley Record): St. Catharines Rowing Club. From the bow: Daryl MacDonald, Neil Campbell, Bob Brookson and Tom Pollock.

A Welcome to the 82nd Henley Regatta

The City of St. Catharines is proud of being honoured once again, with the presence of so many young athletes from various parts of Canada and the United States, who are participating in the famed annual rowing classic, The 82nd Royal Canadian Henley Regatta.

The City Council, in conjunction with the citizens of the Garden City of Canada, extends a civic welcome to all oarsmen and visitors.

Old Argonauts never die

They join the Argonaut Old Boys' Association and try to put a little back into the sport that adds so much to the life of every oarsman.

During the four years since its inception, the Association has contributed an eight and a four-oared shell to the Argonaut Rowing Club, built an oarsmen's locker-room at the Club, donated the truck (shown above) to haul the Club's boat-trailer and instituted an annual

Argonaut Oarsman-of-the-year award. The Old Boys have also set up an Argonaut Hospitality room at the Royal Canadian Henley Regatta. This provides a hang-out for old Double Blues at the famous Henley.

The Argonaut Old Boys' Association joins all oarsmen in paying their respects to this — the eighty-second Royal Canadian Henley.

Aluminum to Zirconium. Wonderful metals at both ends of the alphabet and Thompson has experience with both . . . and a few in between.

From its very beginnings, Thompson has been interested in metals research . . . it pioneered the development of heat resistant automotive valve steels years ago . . . and this research program was never more active than it is today.

Now Zirconium and its alloy Zircaloy is the sophisticated metal in Canada's atomic energy program and Thompson engineers are finding new and more economical ways of forming it that will help bring cheaper nuclear power to Canada.

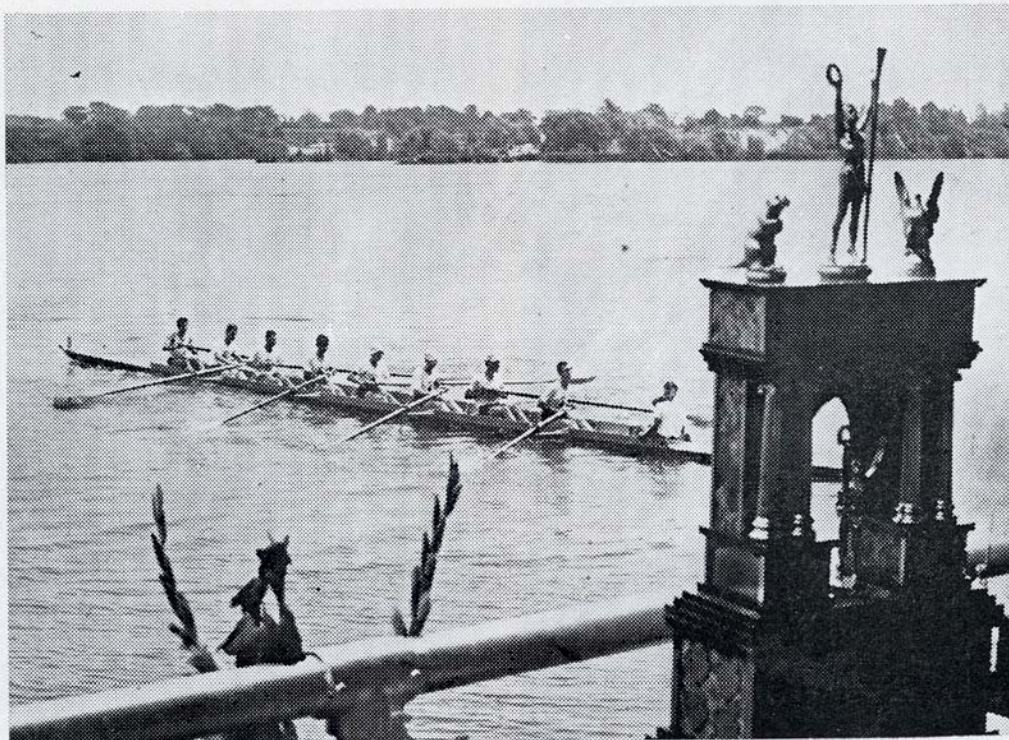

Thompson people have learned to forge aluminum, alloy steel, stainless steel, titanium and now Zirconium in their day to day production activities.

To-morrow's metal sophisticate will find Thompson people ready for it.

NORTH AMERICAN CHAMPIONS — 1963

St. Catharines Rowing Club oarsmen won the Royal Canadian Henley Regatta Championship for the third year in a row in 1963 and, as well captured the U.S. National Rowing Championships Title for the first time — two outstanding feats which established them as 1963 Rowing Champions of North America. Here, at last year's Henley, Charles Adams, 1963 C.A.A.O. President, presents the Maple Leaf Trophy to Club Captain Donald Baker while Jim Minards, 1963 Club President, holds the Henley Pennant which is awarded annually to the Henley Champions.

WELCOME

TO THE ROYAL CANADIAN HENLEY REGATTA

First rowed in Toronto in 1880 at the time of the formation of the Canadian Association of Amateur Oarsmen, the Henley was held at various times in the years following at Hamilton, Lachine, Ottawa, Brockville and Barrie. It was brought to its present permanent home at St. Catharines in 1903.

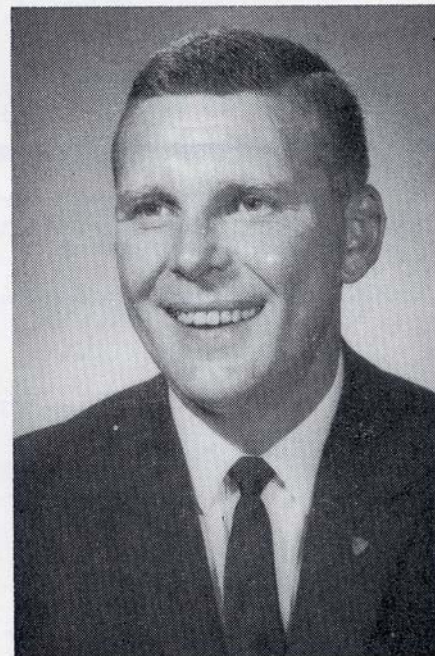

It has been presented here annually — with the exception of the war years 1916 to 1918 — ever since, and has thrilled thousands of spectators each year with its championship rowing competitions.

The Royal Canadian Henley Regatta is now the greatest, annual, four-day rowing regatta in the world, and we are sure you will enjoy it.

Happy to have you with us, and hope you will come again.

THE ST. CATHARINES ROWING CLUB

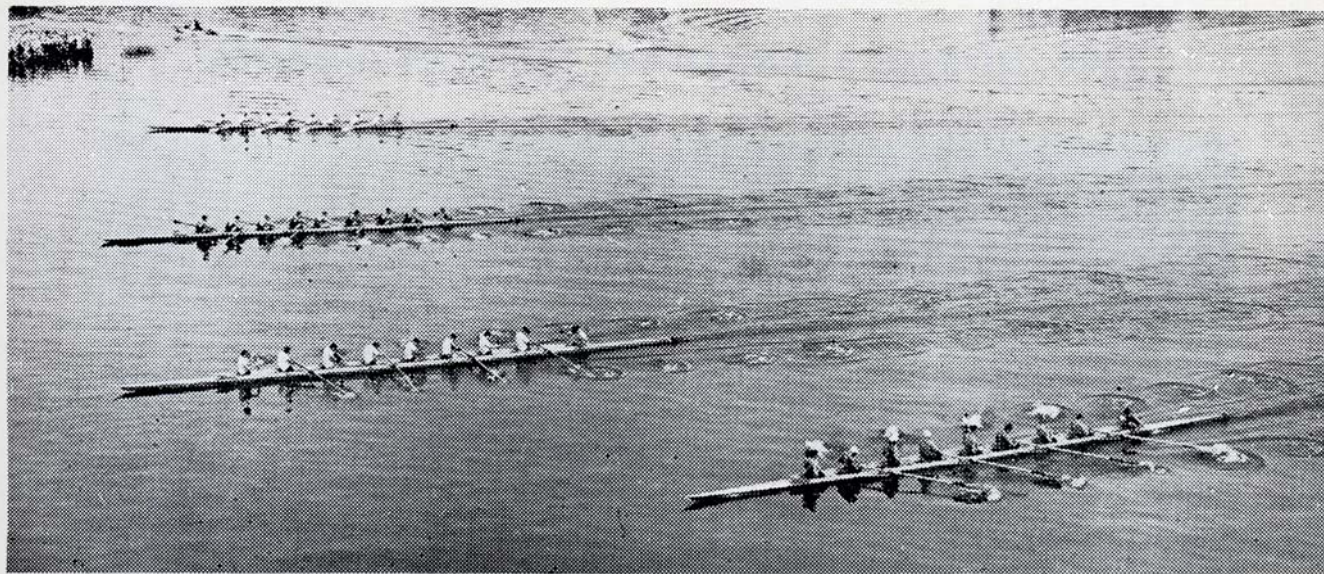

OLD BOYS' ASSOCIATION!

D. G. (DON) McCLELLAND

President
St. Catharines Rowing Club
Old Boys' Association

ROYAL CANADIAN HENLEY CHAMPIONS — 1963

Quarter-Mile Dash for Eights: The event that electrifies the crowd and ages the Finish Judges; invariably, the first and second Crews in this race flash over the line as fast as the gun may be fired. — And the third-place Crew trails by inches. Here, St. Catharines' Senior Heavy Crew, left foreground, wins, with Potomac Boat Club of Washington, D.C., left middle, second, and St. Catharines' Senior 155's top, third. Argonauts, lower right, are fourth.

To Our Supporters Thanks!

A substantial part of the cost of these Regattas is met through the financial help of St. Catharines and District Business, Civic and Service organizations. For this, the Henley Aquatic Association is very grateful.

Also deserving of thanks are the individuals and organizations who cooperate with their equipment and facilities. All the following have aided in this manner, over the years, and the Henley Aquatic Association is deeply appreciative of their support:

Programme - Wednesday, July 22nd, 1964

The Straightaway course is 1 mile, 550 yards, the Henley distance. All events to be rowed straightaway.

The Umpire will start the races promptly.

The start will be made by gunshot after warning: "Are you Ready?"

Any boat not at its post at the time specified shall be liable to be disqualified by the Umpire.

If the Umpire considers the start to be a false one he shall at once recall the boats to their stations by gunshot from the Umpire's boat and any boat refusing to start again shall be disqualified.

Coaching or any instruction given by any spectator may subject contestant or crew to disqualification by the Umpire.

Positions number from the Grand Stand side.

Programme - Saturday, July 25th, 1964

The Straightaway course is 1 mile, 550 yards, the Henley distance. All events to be rowed straightaway. The Umpire will start the races promptly. The start will be made by gunshot after warning: "Are you Ready?" Any boat not at its post at the time specified shall be liable to be disqualified by the Umpire.

If the Umpire considers the start to be a false one he shall at once recall the boats to their stations by gunshot from the Umpire's boat and any boat refusing to start again shall be disqualified. Coaching or any instruction given by any spectator may subject contestant or crew to disqualification by the Umpire. Positions number from the Grand Stand side.
